

Lunch Bands

1. Anyone arriving late will collect a white band from the kitchen – this lets them have a jacket potato, sandwich (on Tuesday and Friday) or panini (on Wednesday and Friday)
2. All other bands – after dinner go back to teachers in the classrooms.
3. You'll have pictures of the food on offer, framed by the colour of the appropriate band (e.g. meat framed with Red)
4. From Friday 10th, you'll be able to add colour choices using Parent Pay. You'll also get a 'write in' slip – at least for the first few weeks - to be completed and returned to the kitchen
5. Children should not swap bands. They should choose in the morning, and stick with their choice.
6. The Halal option is available on Monday, Tuesday and Wednesday for children who require it for religious reasons, and those parents have returned the 'opt in' permission slip.
