

Dear Parents/ Carers,

As a hook for our South American topic next half term, we would like children to come dressed as **explorers** on **Wednesday 31st October 2018**. During the half-term break, it may benefit your child to start to think about the cultural and geographical differences between the UK and South America. If you have any artefacts or personal experiences, which you feel may interest the children, please feel free to bring them into school.

Thank you for your continued support.
