	Making Pancakes Talk about the differences between materials and changes they notice. cooking – combining different ingredients, and then heating (cooking) them Outdoor Learning – planting lettuce and tomato seeds Plant seeds and bulbs so children observe growth and decay over time		Outdoor learning – Collecting frog spawn Collecting frog spawn Understand the key features of the life cycle of an animal Help children to care for animals and take part in first hand scientific explorations of animal life cycles.		Outdoor learning — Spring walk Understand the key features of the life cycle of a plant. Begin to understand the need to respect and care for the natural environment and all living things	
Literacy /Phonics	Aspect 5 - Alliteration Tunning into Sounds Game - I Spy Names Mark Making Map work – design a map for the sand toys –village for people who help us.	Aspect 5 - Alliteration Tunning into Sounds Game - Bertha Goes to the zoo Mark Making Draw an animal that you would like to be – Book Week 'Incredible You'	Aspect 5 – Alliteration Listening and Remembering Sounds Game – Twinkl Pirate Pete's Treasure Trove Mark Making Follow simple instructions as to how to draw a frog	Aspect 5 – Alliteration Listening and Remembering Sounds Game - Our sound box Mark Making Observational drawing of Number Block 1, 2 or 3	Aspect 5 – Alliteration Talking about sounds Game - Silly soup Mark Making Draw an observational drawing of the tadpoles / daffodils	Aspect 5 – Alliteration Talking about sounds Game - Silly soup / Twinkl Superhero Phoneme Juggle Mark Making Draw the Easter Bunny
Maths Development Matters Maths 3 – 4 year olds	Number of the week 2 2 being the second number, its position on a number line, ordinal numbers Numicon 2 Dice 2 Subitising 2 The numeral and formation of 2 Number 2 in the environment Representing 2 using marks, pictures and finger Matching numeral to quantity	Number of the week 2 Solve real world mathematical problems with numbers up to 2 Compare quantities using language: 'more than', 'fewer than'. Squares Talk about and explore 2D shapes – squares using informal and mathematical language.	Cubes Talk about and explore 3D shapes – cubes using informal and mathematical language. Repeating Patterns Notice and correct an error in a repeating pattern.	Number of the week 3 3 being the third number, its position on a number line, ordinal numbers Numicon 3 Dice 3 Subitising 3 The numeral and formation of 3 Number 3 in the environment Representing 3 using marks, pictures and finger Matching numeral to quantity Circles Talk about and explore 2D shapes – circles using informal and mathematical language.	Number of the week 3 Solve real world mathematical problems with numbers up to 3 Spheres Talk about and explore 3D shapes – spheres using informal and mathematical language.	Easter Egg hunt around nursery — Experiment with their own symbols and marks as well as numerals. Easter egg patterns Talk about and identifies the patterns around them. Shapes pictures Combine shapes to make new ones (provision)

Finger Gym	Make your favourite pet – playdough Skill – to roll spheres & cylinders	Cocktail sticks & marshmallows – creating 2D shape. Skill - Focus on squares – 4 marshmallows, 4 sticks	Frogspawn dip – jelly & raisins Skill – to use tweezers to transport raisins from the jelly to the bowls.	Nuts and bolts Skill – to select the same sized nut and bolt. Turn clockwise to tighten and anticlockwise to loosen.	Fire fighters – rescue numbers Skill – use the magnetic wand to find magnetic numbers trapped in the paper fire – identify which numeral was found using a number line.	Easter – sort eggs by colour Skill – Sort and classify Easter eggs by colour – which one has the most / fewest?
PE Complete PE Planning - Nursery Rhymes - Dance	Humpty Dumpty: Moving in sequence To explore different movements using different parts of the body. (Physical) Can pupils move their bodies with big actions? (Cognitive) Can pupils experiment with moving in different ways? Curiosity (Social) Can pupils watch others as they perform? Empathy (Wellbeing) Can pupils travel with confidence?	Jack and Jill: Creating our own movements To create their own movement ideas relating to specific words. Pupils will start to add movements together to form a sequence. (Physical) Can pupils move their bodies with big actions? (Cognitive) Can pupils experiment moving in different ways? Curiosity (Social) Can pupils listen to others ideas? Empathy (Wellbeing) Can pupils travel with confidence? Self Belief	Hickory, dickory, dock: Creating simple movement sequences To create simple movement sequences that relate to specific words. Pupils will add their movements together to form a sequence. (Physical) Can pupils move their bodies with big actions? (Cognitive) Can pupils experiment moving in different ways? Curiosity (Social) Can pupils watch others as they perform? Empathy (Wellbeing) Can pupils travel with confidence? Self Belief	Three little pigs: Responding in movement to words and music To explore larger scale travelling movements, responding to words or music. (Physical) Can pupils move their bodies with big actions? (Cognitive)Can pupils experiment moving in different ways? Curiosity (Social) Can pupils watch others as they perform? Empathy ((Wellbeing) Can pupils travel with confidence? Self Belief	Three little pigs: Exploring contrasting tempos To respond to words and music using their bodies. (Physical) Can pupils move their bodies with big actions? (Cognitive)Can pupils experiment moving in different ways? Curiosity (Social) Can pupils listen to others ideas? Empathy (Wellbeing) Can pupils travel with confidence? Self Belief	Little Miss Muffet: Working with a partner exploring character movements To explore character movements with a partner. (Physical) Can pupils move their bodies with big actions? (Cognitive) Can pupils experiment moving in different ways? Curiosity (Social) Can pupils watch others as they perform? Empathy (Wellbeing) Can pupils travel with confidence? Self Belief
