Dear parent/carers,

Little Wandle Letters and Sounds Revised- information evening

In school, we follow the phonics programme, Little Wandle Letters and Sounds Revised. The teaching will begin in week 3 of Reception, right through to the end of year 1. During the first term in year 2, children recap phase 5 and any additional gaps before moving onto a spelling programme from Spelling Shed.

To help you gain a better understanding of what the Little Wandle programme involves, the sequence of teaching and how you can help at home, we are holding an information evening for all parents/carers in Reception. It will also be an opportunity to find out more about the reading books your child will be sent home with and about the group reading practice in school (previously known as guided reading).

This will be held on **Wednesday 25th September at 5pm**

In the meantime, if you would like to have a look at some key information about how your child is now learning phonics, please see the link below:

The resources on the link, will help you support your child with saying their sounds and writing their letters. There are also some useful videos so you can see how they are taught at school and feel confident about supporting their reading at home.

We look forward to seeing you on the evening.

Yours faithfully,

Miss Spurduto
