New school communication app and portal, Arbor parent portal

We are excited to announce that in the coming weeks, we're streamlining our communication by transitioning to Arbor.

Arbor will enhance our ability to connect with parents efficiently, bringing essential school information and processes together in one convenient system. This includes bookings for breakfast/care club and OOSH clubs as well as permissions and payments for school trips and parents' evening appointments.

Please note that school meal payments will continue to be managed by Bradford Council.

Later this week we will share more details about the Arbor parent app and how to register. Please keep an eye out for this information and register your child when prompted.

We hope you are looking forward to using this new feature as much as we are!

If you have any queries please contact the school office.

Wilder Wood OOSH Club is now LIVE!

Please see attached poster.

Parking

It would be appreciated by residents of the area around West Lane if parents picked up could park more considerately. On Belmont Avenue, people tend to park as close to the junction as they can, and use both sides of the road, making it hard for cars to move around. If everyone used the full length of the road, and parked on one side, then cars could leave and arrive freely. Your cooperation in this would be much appreciated.

Nurture Grow Succeed

Photo Sharing on Social Media

Please do not share photographs including children other than your own on social media. This particularly applies to whole class photos, or photos of large groups, which may include children who, for various reasons, are not allowed to be shown on public media.

Reading Books Plea

If you have any of the books listed on the attached letter, and you no longer need them, Miss Mountain would be very happy to take them for use in school. All appropriate donations will be gratefully received!
