Little Wandle Letters and Sounds Revised

Our school has chosen *Little Wandle Letters and Sounds Revised* as our systematic, synthetic phonics (SSP) programme to teach early reading and spelling.

“

Phonics is:

**making connections between the sounds
of our spoken words and the letters that
are used to write them down.**

In Reception....

This term we are teaching Phase 2

- These are the first group of letters and sounds your child will learn.
- We start teaching from week 2 of Reception.
- The lessons are fun, interactive, engaging and have been designed to gradually build over time.

We teach Phase 2 in this order

We teach blending so your child learns to read

- Teacher-led blending is taught throughout Phase 2.
- Our aim to is to teach every child to blend by Christmas.
- We will inform you if your child needs additional practice.

Blending to read words

Tricky words

- These words have unusual spellings e.g. he, the, was.
- They are taught in a systematic way.
- Children are now learning to read the Phase 2 tricky words: is, I, the, put, pull, full, as, and, has, his, her, go, no, to, into, she, push, he, of, we, me, be.

Reading tricky words

Spelling

- Your child will be taught how to spell simple words, using the graphemes they have been taught.
- They will practise the correct formation of letters. They will also have handwriting lessons.

How do we teach spelling?

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

Reading in books

How do we teach reading in books?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups.

We use assessment to match your child the right level of book

Reading a book at the right level

This means that your child should:

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head) – their reading will be automatic
- Only need to stop and sound out about 5% of the words by the time they bring the book home – but they should be able to do this on their own.

Reading at home

What will your child bring home?

On Friday 3rd October, your child will bring home;

- A book bag
- A wordless book from the Little Wandle programme
- A reading record

We ask that these bags are brought to school each day.

Phonics books will be changed every Friday.

Once your child's class has visited the library, they will also be able to choose a library book each week. Your child must have their book bag in school and have returned their previous library book, in order to choose a new one each week.

Reading a wordless books

Wordless books are invaluable as they teach reading behaviours and early reading skills to children who are not blending – yet!

- Talk about the pictures.
- Point to the images in the circles and find them on the page.
- Encourage your child to make links from the book to their experiences.

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- They might sound out words and blend them before they read them fluently.
- If they can't read a word, read it to them.
- Talk about the book and celebrate their success.

Read to your child

The shared library book is for **YOU** to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language
 - Encourage your child to use new vocabulary
 - Make up sentences together
 - Find different words to use
 - Describe things you see.

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.
