10 October	Saplings Baby & Toddler Group

PPG Colour Run

Thanks to everyone who took part in the colour run on Friday evening, whether by taking part, or by coming to watch. **Please don't forget to bring sponsorship money raised into the office!** The total amount raised for PPG will be announced as soon as it is counted.

Census Day

On Thursday 2nd October, it's census day, a specific day each term when schools collect detailed data on their pupils, such as attendance, special educational needs, and free school meals eligibility. We have a special menu on that day, offering two different kinds of pizza and savoury rolls. All children in key stage 1 will be offered a free school meal, and we would encourage children in key stage 2 to order one too. They can, of course, bring a packed lunch if they prefer.

Xmas4Schools

Your child will be bringing home a Xmas4Schools sheet at some time this week, if they haven't already. Please complete the information on the back and, once the picture on the front (which doesn't have to be Christmas-related!) is completed, please return it to your child's class. The 'closing date' is the last day of this half-term. Every item ordered gives the school £1.

Sycamore Non-Uniform Day

Congratulations to Sycamore house (blue tops) for winning sports day at the end of the Summer term. Your reward is a non-uniform day on Friday 3rd October. Well done!

CENSUS DAY SPECIAL MENU

THURSDAY 2ND OCTOBER
