Parking

Please can we start the year as we mean to go on. School parking safety is crucial for protecting children, requiring drivers to avoid parking on "School Keep Clear" zig-zag lines, park further away to reduce congestion, ensure children exit on the pavement side, and always check for pedestrians and cyclists before moving, turning off engines while waiting to reduce pollution, and obeying traffic rules to prevent accidents and keep emergency access clear. Thank you for your cooperation

Fun French Lunchtime

Children in years 1-6 can now join our fun French clubs with Le Club Français.

They offer a fun and active language-learning programme specifically designed to introduce French to children.

The emphasis is on learning to understand and speak the language, with a good accent, all whilst having fun.

The teachers are experienced linguists who love to share their passion for languages.

We learn songs, play games & build our French vocabulary on Thursday lunchtimes

- 12 sessions in the Autumn term starting with a TASTER session in September
- Small groups (approx.10 children)
