Please find attached Spring term 2 timetable for OOSH clubs. Clubs go live on Arbor at 12noon on Thursday 12th February 2026.

World Book Day

Thursday 5th March 2026 is World Book Day!

Children are invited to come to school dressed as their favourite book character or wear their pajamas to school to further encourage bedtime stories. It would be great if they could bring in their favourite book to share with their class.

Throughout week commencing 2nd March, every class will undertake many different activities based around 'The Inventor's Workshop'. There will also be extra activities across the week and an exciting assembly planned.

"Join two curious children on a tour through ten inventions that changed the world in the debut children's book from award-winning inventor Ruth Amos."

Step inside the inventor's workshop to see how one creative spark leads to another... until an invention is born. Find out how, when and why these ingenious breakthroughs happened, and learn about all the people who created them. Discover how Ada Lovelace's code inspired Charles Babbage's work on the first modern computer; see how African American Lewis Latimer's technology made Thomas Edison's light bulb possible; and much more."
