

# WRAPAROUND CARE

## CODE OF CONDUCT

Have fun. Stay safe. Be respectful. Be kind.

We are here to make sure everyone is safe and happy—  
not to stop you from having fun!

### LISTENING TO ADULTS

To keep everyone safe and happy, you must:

- ✓ Listen to adults the first time they speak to you
- ✓ Follow instructions given by staff
- ✓ Understand that instructions are there to keep everyone safe

It's okay to ask questions. Ignoring instructions, arguing, or being disrespectful is not acceptable.

### RESPECT FOR OTHERS

- ★ Be kind and include others
- ★ Use respectful language
- ★ Keep hands and feet to yourself
- ★ Respect other people's space, feelings and belongings

### MOVING AROUND THE SCHOOL

Even though the school day has ended, the building is still a working environment.

Children must:

- ✓ Move around calmly, quietly and sensibly indoors
- ✓ Follow staff guidance at all times when moving through the building

### A POSITIVE ENVIRONMENT FOR EVERYONE

Wraparound care is a time to:

RELAX

PLAY

SOCIALISE

By following these simple rules, we can make sure everyone enjoys their time.

BE KIND. BE RESPECTFUL. HAVE FUN!  
THANK YOU FOR HELPING US LOOK AFTER EACH OTHER.
