What is the Nurturing Programme?

Children are rewarding, stimulating and fun, but looking after them can be stressful and challenging.

The Nurturing Programme helps deal with those challenges so that you can have a calmer, happier life.

A tried and tested programme, it helps us think about what we do, why we do it and how it makes us feel.

The Four Constructs of the Nurturing Programme

What does it cover? Over the 10-week Programme, you will look at lots of different topics, including:

Understanding
why children behave as they do

Recognising the feelings behind behaviour (ours and theirs)

Exploring
different approaches to discipline

Finding
ways to develop co-operation and self-discipline in children

Learning the importance of looking after ourselves
