Tuesday		Nurture
Wednesday	4P	5P
Thursday	Nurture	4S
Friday	5S	Always

## Sun Safety

As the weather warms up, we want to ensure all our children stay protected while enjoying the outdoors. Please apply sunscreen to your child before they arrive. We highly recommend using an 8-hour (long-lasting) formula to provide all-day coverage. If your child requires additional applications, you may send in a bottle of sunscreen (minimum SPF 15). This must be clearly labelled with your child's name and handed directly to a member of staff. Please ensure your child brings a named sun hat to school for outdoor play.
