08 May	Saplings Baby & Toddler Group
08 May	Family Links

Outdoor Learning Timetable

w/c 4 th May 2026		
	Morning	Afternoon
Monday		
Tuesday		
Wednesday	RS	RP
Thursday		
Friday	Nursery	Always

Consider walking to school

As the weather is now improving, we would love to see families walking to and from school, bringing a wealth of benefits to both school children and residents, including:

- Improved physical and mental health for school children.
- Reduced cases of dangerous driving, parking and turning outside schools during school run times.
- More children staying active by walking to/from school, which in turn reduces traffic in the local area during school drop off and pick up.
- More opportunities for social interactions on the way to school, and more independence for older pupils.
- Reduction in emissions around schools.

Uniform and PE

As the weather continues to warm up, I would like to share a brief reminder regarding our expectations of the children's uniform —specifically concerning shorts.

While we are happy to see children staying comfortable in the heat, we have noticed an increasing number of girls wearing shorts that are significantly shorter than their school jumpers. To maintain a professional and modest school environment, I would like to ask that on non-PE days students should wear tailored shorts, athletics-style or "short-shorts" are not permitted as part of the formal school uniform. Shorts should be of an appropriate length so that they are clearly visible beneath the school jumper. Please remember that PE shorts should only be worn on days when your child has a scheduled PE lesson.
