Parking Drop off zone

This is a polite reminder that the school drop off zone is for drop off only between 08:30-09:00am. This parking should only be used for your child(ren) to get out of the car and make their way into school and not for cars to be parked for any length of time. We appreciate for Nursery parents/carers your child starts school later however there should be no parking in this area before 9am. School staff will continue to monitor parking, we really appreciate your cooperation in this matter as we all want drop off and collection to be as smooth as possible.

Food Donation

JLT would like to organise food bank donations for Baildon Methodist Church. Some homemade posters have been added to the last page. Thank you in advance for your cooperation.

Survey Support

The Children's Commissioner is asking for your support in ensuring children and young people from our school complete this survey <http://www.childrenscommissioner.gov.uk/thebigfuture>.

At a time of significant change for children and young people, it is more important than ever that their views are reflected in policy making. Through this survey, they can take the voices of your children directly to the center of government.
