Lost Property

From Friday 11th September 2026, all un-named lost property items including water bottles, snack boxes and lunch boxes will be in boxes outside the main entrance doors all day

Please ensure that every item of school uniform, PE kit, water bottle, lunch/snack box is labelled clearly with your child's name and class. Also, if you have a piece of clothing that has been passed onto you, please ensure it has your child's name in it, not the previous owners.

Ideally, labels should include full names and class. You can purchase labels from www.easy2name.com using the code **FR.SANDALPRIMARYBD17-20** for free postage. Alternatively, you can look at Tiger Tags (www.tigertags.co.uk). This is the same company who do Xmas4Schools, and as with that, we will receive £1 per order (using the code using the code **3947**) which then goes towards equipment for the children.

We do our best in school to make sure children pick their things up and put them away. If you can make sure your children look after their property, together we will hopefully reduce the pile of lost items that accumulates each half term and also keep your costs down as you will not have to replace them!

A Message from the UK Children's Commissioner

"As children and young people return to school for the new academic year, I am writing to ask for your support in making sure pupils at your school have the opportunity to take part in my national survey, The Big Future.

The survey can be completed here: <https://www.childrenscommissioner.gov.uk/thebigfuture>.

I have already heard from hundreds of thousands of children and young people across England, and the majority of schools have now taken part.

It is crucial that children at your school have the chance to add their voices too, so that their experiences, views and aspirations are represented when I present the findings of the survey to Government."
